Autumn Term - Wb 7th October 24

Headteacher: Mrs Nicola McArdle

What a week it has been at Barrow! From our Year 5 children meeting real-life astronaut Tim Peake to the exciting sighting of zebras outside the school, there has been so much to celebrate.

Our house captains have been actively working with the police to monitor speeding on the main road, while Year 6 collaborated with Citizens Advice to share their voices on important issues.

It's inspiring to see our children engaged in such meaningful activities and their exciting learning journey.

I would like to address an error made by the school regarding the election of parent governors. As a result, we will be postponing this election until the Spring term. We appreciate your understanding and hope that everyone will participate and vote again when the time comes. Thank you to those who expressed interest in this important role: your commitment is truly valued.

As a reminder, we will be having a church service at Clitheroe URC this Sunday at 10:30 am, and all are welcome to join us.

Wishing you all a wonderful weekend! Let's hope and pray for no rain tomorrow as volunteers undertake our first DIY SOS project to revamp the EYFS outdoor area.

Mrs McArdle
