

WEEKLY Newsletter

W/b 19th January 2026

Work on the EYFS playground is now under way and the children have loved watching the builders at work over the past couple of days. The project is on schedule to be completed by the end of next week and we look forward to sharing the finished area with you.

However, the building work has led to ongoing concerns from local residents regarding parking and access to the parish council car park. I must stress the importance of parents parking considerately and respectfully at all times. Garages, doors and access routes must not be blocked. Continued inconsiderate parking by a small number of parents is causing significant strain in our relationship with residents, leaving the school in a difficult position. Your cooperation in addressing this matter is essential and greatly appreciated.

- Thurs 29 Jan - 4.00pm Years 5 & 6 Ribble Valley Sports Hall Athletics
