Summer Term - Wb 15th April 24  
Headteacher: Mrs Nicola McArdle

The summer term is off to an exciting start with a week that encapsulated every season from sunshine to hail! This didn't stop the children who have started their outdoor learning unit in PE. We also enjoyed celebrating World Art Day on Monday with each class completing work in the style of a different Artist.

Good luck to Mr Briggs who is running the London Marathon this weekend for our school charity - The Ribble Valley Foodbank. We look forward to hearing all about it.

## DIARY

World Art Day - Monday 15th April

We all enjoyed a creative start to Summer term by celebrating World Art Day in school!

All classes created artwork based on a chosen artist with a focus on celebrating diversity and using recycled materials.

Here are some photos from the morning...

## Star Awards

## Headteacher Awards

We hosted a visit from Carers Link Lancashire

Rooted in God's love, everyone growing together to be the best that we can be.

# THIS WEEK

*in Notices*

Our Eco Warriors Team need your help collecting old batteries! School has entered the 'Big Battery Hunt'. Please try to collect any old, unusable batteries and send these in to school so we can recycle them.

These could be collected from home, family members and friends (think outside the box). The greater our battery total becomes, the more chance school has of winning up to £3500 for playground equipment!

Any battery donations should be sent to Miss Roath.

After School Club would very much appreciate donations of any Universal rated DVD's that you're no longer using  
Thank you

Available for Year 2 parents only  
Register with the school office

Available for Year 1 & Year 2 parents & children

## Price Increase

In line with Lancashire County Council's charge to schools, due to food and labour increases our school dinner price will increase to £2.70 from 15th April 2024.

ALL CHILDREN from Year 1 to Year 6 - please come to school in their PE kit on Friday 26th April for their Trikidz Triathlon

### Support your children with Assesments - KS1

This course is designed to show parents/carers how to support their child so they feel prepared and confident about the test by engaging in activities at home as well as at school. The course has fun, interactive activities that the children will love whilst also learning the key skills required for SAT's

### Barrow URC Primary School

Monday 29th April 2024  
13:00 - 15:30pm

Speak to your school today to register your attendance!

### Lego Robotics KS1

This is a practical and interactive course that is meant to be lots of fun whilst learning and developing important skills

- Ignite a passion and confidence in children that will lead them to explore their digital skills
- The course build confidence with technical equipment and begin a coding journey to encourage your future engineers!

### Barrow URC Primary School

Wednesday 1st May 2024  
9:00am - 11:30am

Speak to your school today to register your attendance!

## Reception & Year 1 parents & children
