

WEEKLY Newsletter

W/b 5 October 2026

We are looking forward to welcoming you to Parents' Evening next week. It will be a lovely opportunity to celebrate how your child is settling in and to give you time to ask any questions you may have.

I will be there throughout the evening and would like to reassure you that you are very welcome to come and speak to me if you have any questions or concerns. I am always happy to listen and help wherever I can.

Tuesday 13th - Tattoo a Teacher Day!

If your child would like to buy a tattoo and choose a member of staff to receive it, they will need to bring in £1 per tattoo on the day.

There will be a table outside at the start of the school day. Parents of younger children are more than welcome to help them choose their tattoo and make their purchase.

A Final Reminder About Allergies and Birthday Treats

We have made some changes to our arrangements around birthday treats, so please could we ask that any treats being sent in for your child's class come through the main office and are in their original packaging. This allows us to check the ingredients carefully for any allergies.

We are also asking that no homemade treats are brought into school. If you are sending in sweets, please could these be soft sweets rather than hard lollies.

We really appreciate your support with this, as it helps us to keep all of our children safe.

I realise next week is going to be a busy one! I can't help but think of all those TikToks of mums and dads trying to juggle school life, activities and everything else that comes with it! Next week is definitely going to be one of those weeks!

As always, thank you for your continued support.
