Summer Term - Wb 22nd April 24  
Headteacher: Mrs Nicola McArdle

Congratulations to Mr. Briggs for completing the London Marathon last weekend! So far, he has raised an impressive **£705** for the Ribble Valley Foodbank. We'll be presenting this donation to them on Monday, so there's still time to sponsor him if you haven't already. Additionally, our collection for the Big Battery Hunt is progressing well. Please consider placing a collection box at work or with family members to help us gather as many batteries as possible by the end of June. Have a wonderful weekend, however you choose to spend it. We anticipate some tired children tonight as the Year 5 parents welcome them back from their three-day residential trip, filled with memories and dirty clothes!

Our Eco Warriors Team need your help collecting old batteries! School has entered the 'Big Battery Hunt'. Please try to collect any old, unusable batteries and send these in to school so we can recycle them.

These could be collected from home, family members and friends (think outside the box). The greater our battery total becomes, the more chance school has of winning up to £3500 for playground equipment!

Any battery donations should be sent to Miss Roath.
