Spring Term – Wb 3rd March 25
Headteacher: Mrs Nicola McArdle

In recent weeks, the UK has witnessed several exciting planetary events, and it's been wonderful to see the children's curiosity sparked by these. To surprise the children and fuel their interest, we arranged to have a mobile planetarium visit the school. Each class had the opportunity to step inside, lie back, and look up at the stars while learning about our solar system. It's been an incredible experience for everyone!

A huge thank you for all your efforts yesterday for World Book Day. As always, the children looked fabulous in their costumes, and it was fantastic to shine a spotlight on the importance of reading for pleasure.

Next Friday, we will be officially opening our new outdoor gym following our Friday morning worship at 9am. Parents are warmly invited to join us for worship, and we are thrilled to see the gym in action. A special thank you to Mrs. Porter and Miss Crossley, who have worked hard on this project—we can't wait to share it with the children.

Also, on Thursday and Friday next week, Mr. Briggs will continue working on our wildlife area and pond project. If you have any spare time and would like to get involved, please let the office know.

Wishing you all a lovely weekend!

RECEPTION / YEAR 1

Does anyone have a ride-on toy car that they wouldn't mind school borrowing on

Wednesday 19th March?

We are having a 'Beep Beep Road Safety' day and would love to bring this to life for our children with a pretend road and car.

Please contact the office if you can help with this.
