did

'A quiet space for children that like to eat lunch in peace'

A great idea. In the warmer months, we will open up the prayer and sensory garden as a picnic space for children wanting to eat outside in peace.

A valid point. We will review this from January onwards and would like to remind parents that donations are voluntary and not a requirement.

'Feel school ask alot of parents i.e. endless donations to different things'

'Quality of the PE kits is poor as label easily peels off'

We agree! We have spoken to Grays and they are looking in to this and will now provide an option of the logo being embroidered instead of printed.

We have a 'Little Library' on the wall outside school (next to Mrs McArdle's office). We will remind the children's that this can be used to add and take books.

'A class book share shelf so that children could bring books in they no longer need and borrow one off the shelf'

'Parking is an issue'

We are working with the parish council and new building development to resolve this. I will keep parents up to date on the newsletter.

Please check out your child's class page on the website to watch the 'meet the teacher' video, timetable, curriculum maps and updated photos.

'Update of what your child is learning in class and on progress'

In the past we have had an Autumn and Spring parents evening and End of year report. In addition, We will trial a progress report card at the end of this term to keep parents better informed.
