Register of Interests

Dated: 4th December 2023

From 1st September 2015, Governing Bodies have a duty to publish any Register of Interests on our website.

The Register of Interest demonstrates transparency and good governance of the financial management in school and meets the criteria of the schools financial value standard. An individual form for registering interests has been completed and signed by all staff with a financial input (e.g. budget holders) and all members of the Governing Body. The form requests staff and governors to certify that:

- They have declared all beneficial interests, which they or any person closely connected with them have businesses or organisations, which may have dealings with the school.
- They have declared details of any other educational establishment which they govern.
- They have set out any relationships with members of school.
- They have agreed to inform the school of any changes in these interests.
