Spring Term - Wb 5th February '24 Headteacher: Mrs Nicola McArdle

As we wrap up this half term. we're proud to have supported Mental Health Awareness Week. engaging our children in activities centered around understanding their brains and practicing mindfulness. Even Tiny the Tortoise joined in classroom adventures. though he seems puzzled by the green carpets – perhaps mistaking them for food! As always. Last week marked the launch of our 'Golden Table' in the dining hall. a Friday treat for exemplary behavior and manners. We're thrilled by the positive response and eager to continue this. Congratulations to all who've graced the table! Wishing everyone a fantastic half term break. however you choose to spend it. Mrs. McArdle

Parents, if your child has been denied support from CAMHS, or you are still waiting to be seen, we are here to support you. You can call our Parents Helpline on 0808 802 5544 from 9:30am - 4pm, Monday - Friday.

You'll be connected to one of our trained advisors, who will listen to your concerns, and ask key questions to understand your situation as best as they can. They will tailor advice to your situation and suggest practical steps you can take and ways to support your child whilst waiting to access help from services. This could include contact details for relevant support services, practical tips you can implement at home or giving you advice around alternative options for support.

We know how lonely it can feel to be left without access to the professional support your family needs - but we are here for you.

MENTAL HEALTH WEEK

On Monday. we started off our week with some mindful breathing in assembly and 'Mountain Pose' yoga in the hall. We introduced our 'Thank Tank' which encourages children to express what they are grateful for. On Wednesday morning we had a selection of wellbeing stations (yoga. playdough. chatterboxes. fitness. colouring) for the children to choose from and the whole school enjoyed taking part in the various activities. It was lovely to see the different year groups spending time together. and the older children looking after the little ones! Well done Barrow!

BARROW EXTREME READING CHALLENGE 2024

During half term. we are holding a whole school challenge called 'Barrow Extreme Reading Challenge 2024'. We would like children to get a photo of themselves reading their books in unusual and out-of-the-ordinary places. An example could be up a climbing frame or on a trampoline (children have been asked to be mindful of being safe and to check with an adult first). The more creative – the better! We would love for families to get involved as well so please feel free to join in. One you have taken your photograph. please email it to the school office on: office@barrow.lancs.sch.uk The photos will be collated and shared on our school website and Facebook page. There will be a prize for most creative photograph.

Thinking Day 2024 - Thursday 22nd February

In Scouting. Founders Day on February 22 honours Lord Baden-Powell as it was his birthday. It's a time for Scouts to reaffirm their oaths together and contemplate how Scouting's century-old values are still relevant in today's fast-paced world. In Guiding. World Thinking Day is a celebration of ten million girls worldwide that has taken place on every 22 February since 1926. It remains a day for all Guides and Girl Scouts to think of each other and celebrate their sisters all around the world. as it is the birthday of Lady Olave Baden-Powell, the first Chief Guide.

On this day any pupils who are part of any Scouting Group can come to school dressed in their Scouting uniform.

Our new Scholastic Book Club is up and running! Go to <u>https://schools.scholastic.co.uk/barrow-v/digital-book-club</u> to browse the latest books and order online. For every **£**1 you spend on this month's Book Club, our school will earn 20p in Scholastic Rewards.

Please place your order online by March 1st, 2024.
