Even better if...

- Worry less about the tech
- We get more notice about if they are going to win an award (linked to Fridays)
- I love how it already is

How did this worship live out our vision?

How did this time together show love towards each other?

- 'Showing care and loving towards each other. Great friendships and values'
- 'Matched the schools values'
- 'All children very respectful when speaking'
- 'Everyone works together and tries their best'
- 'I loved the warmth and energy in the room, which is a great reflection of the philosophy of the school. Well done 😊'
- 'All the children showed respect for each other. Even during 'technical glitches' they sat patiently'
- 'Great interaction by all the children'
