At Barrow URC Primary School, our Christian vision shapes all that we do, 'Rooted in God's love, everyone growing together to be the best that they can be.' Ephesians 3.16-19

Therefore we work hard to ensure that all of our pupils are included in all parts of school life. We begin with high quality teaching, ensuring that all of our staff are trained to support all children. For children with special educational needs or disability, we may make reasonable adjustments or call upon the support of external experts. We have high expectations for all of our children and track the progress they make carefully, ensuring timely and high quality intervention is in place where necessary. It is important that we work closely with families, with the child always at the heart of our approach. We provide a safe, inclusive environment, in which all children feel welcome and valued. In our school, the child is always at the heart of what we do. Our seven core values- Respect, Honesty, Trust, Love, Peace, Kindness and Forgiveness- are the pillars of our school community and help us to provide a safe, caring environment in which all our children feel welcome and valued.
