

Oak 'Pick n Mix' Homework - Autumn 1 2026

This Pick n Mix Homework is for this half term. The **Red** boxes need to be completed each week. The **Yellow** boxes are linked to class learning and you can choose one per week. The **Green** boxes do not have to be done but are just if you want to challenge yourself!

Reading

Read at least 3 times per week.

(Please sign in your child's diary each time they read to you. Also, remember to recap on the weekly phonics sounds.)

Maths

Sing some counting songs: 5 Little Ducks, 5 Little Speckled Frogs etc.

Look out for numbers 0-5, where can you see them?

Autumn

Go on an autumn walk together and then draw or create an autumn picture.

You could collage an autumn tree or share your own ideas.

Light and Dark

Ask an adult to take you outside in the dark. What can you hear? What can you see? Do you know what animals come out at night? Research some night time animals together.

Writing

Practice writing your name using a capital letter at the start and then lower case letters. If you can already do this, practice writing your last name.

Time to Talk

Talk about when your child's birthday. When is it? Which month is it in? How old will they be on their next birthday?

You Are Unique

What are your favourite things? You could draw them or share some photos and talk about the things you love. ❤️

Let's Worship

Decorate a pebble or stone to place into our special prayer area. Have fun searching for and decorating your special stone. 😊

Challenge: Autumn Treasure Hunt

Collect autumn treasures such as conkers, acorns, leaves and bring a selection to school. You could also take photos or draw things that you see in autumn. (We will display these in the classroom, so please don't stick in your WOW books).

I can't wait to see your super work!
These tasks are designed to be fun and enjoyable.
If you need any help, please ask. 😊
